

## **Introduction to Human Evolution**

<https://www.hhmi.org/biointeractive/great-transitions-origin-humans>

This afternoon we're heading to the Anthropology Museum to examine, think about, learn about, and explore many different animal species. As you watch this 20 minute video, think about this:

- What characteristics do scientists use to determine classification?
- How do scientists determine the age of fossils that they find?
- What questions do you have that are unanswered?
